

# JOIN THE PCA MIDWEST'S RISING TIDE

## Tomorrow's Leaders of the PCA Midwest

*Attend the first planning and networking meeting on January 17th*

The *Plumbing Contractors Association Midwest* (PCA) is launching a new effort to involve, engage and prepare our next generation of plumbing/piping industry leaders. If your plan is to take on tomorrow, come learn and grow with peers who are like-minded.

A special first meeting is scheduled to explore the goals, purpose, priorities, services and events that our "Rising Tide" group will strive to achieve. Our Committee Chair (Plumbing Council Midwest Board Member Alison Flury of *Another Plumbing Company*) will host this first gathering sponsored by the *PCA Midwest*. Join us! Here are the details:

---

### **PCA Midwest "Rising Tide" Introductory Get-Together**

*Conversation, Collaboration & Communication—Featuring Great Food, Cocktails, Soft Drinks & Hot Beverages*

**Tuesday, January 17, 2017**

**3:30 p.m. to 6:00 p.m.**

**Harry Caray's Restaurant**

**70 Yorktown Shopping Center – Lombard**

---

Plan to attend and contribute your constructive ideas to start this exciting new initiative. Our gathering will seek your input on what *you* need from *us* to best prepare; network with "up and coming" professionals throughout PCA's 17 counties; interact, connect and learn from seasoned, successful PCA contractors and CEOs; suggest results-driven educational seminars, classes and practical resources; socialize with other next generation PCA "movers and shakers" in our trade; and help decide what to call this group; when it will meet; what it will do; and more!
