### **Plumbing Contractor Renewal Time**

The IL PHCC reminds us that all plumbing contractors registered with the IL Department of Public Health (IDPH) should be receiving a renewal form next month. Even if you plan on renewing online, you **must** fax or email the insurance and bonds. Only send those documents by ONE of those methods. Sending a fax and an email will only delay the process. **The IDPH highly recommends using Email to send the documents.**

Review the materials carefully and submit your renewal as soon as possible – don't delay! Your registration is **not** considered renewed until full payment and your renewal documents (i.e. Surety Bond, Certificate of Insurance) are received. These items must be received by **September 30** to avoid a late penalty.

Questions regarding renewals should be directed to the IDPH Plumbing & Water Quality Program at 217.524.0791 or to [dph@illinois.gov](mailto:dph@illinois.gov)
